ALBERT  
ADRIÀ

Dessert and Champagne are two of life's greatest pleasures. With that in mind, our bubbles selection is designed to complement and enhance the diverse and complex flavour profiles emanating from our kitchen. Every single reference is handpicked with Albert Adrià's desserts in mind. Our offer is a combination of 'Grande Marques' Champagne along with more 'artisanal' grower Champagne and an eclectic mix of sparkling, sweet and fortified wines from Europe and beyond. We would love nothing more than to guide you through our selection, offer advice and hopefully help you discover something new. Salud!
